Experience, professionalism and the "Aloha Spirit" are integral to our way of doing business at KOA Properties. This recent letter from a satisfied client says it all...

Hi Neal-

My wife Kathy and I just closed on our house here (on Kaua'i) and we could not be happier. Our agent, Palo, was extraordinary and top-notch. Not only was Palo patient and professional, he was completely unflappable and always had a good thing to say with a smile and Aloha. On our last day (closing day), the escrow agent made two critical errors and we almost were unable to close the deal. Palo was right there and made sure all went through, and kept me from blowing my top which I can't thank him enough for.

Thanks again for the Aloha and the service. I will not only make sure we always use Koa, I will recommend you to all my friends both here and on the Mainland.

Aloha, Rob Conery
